

DECLARATION OF FOUNDATION

In order to fulfill the mission of our charter from the Dragonscale Throne, this First Day of Pharast, in the year 4710, we the undersigned declare the Foundation of the Kingdom of Thylicia . We welcome all brave souls who seek a new life, taming the wilderness, to re-forged the Stolen Lands of the Greenbelt into a land of peace and prosperity.

To this we pledge our Fortunes, our Lives, and our Sacred Honor
