

Tremerus,

I understand your companion's estate is in need of work, as are the poor people of the village nearby. I know that Whitecliffe always needs some ongoing work. I have sent to you supplies worth 3000 gold to assist. In order to make sure it arrives intact, Pollus is in charge of its transportation. I expect him to arrive on the 20th of Rova.

I look forward to hearing of your progress, and we shall pray to God for the preservation of your most noble estate,

Earl Whitecliffe
