

Treaty of Nomen 4717

From this day, the 30th of Lamashan, forward, the Nomen tribe will be under the eternal protection of the Kingdom of Thylicia. The Sovereign Monarch will guard and protect the centaurs of the Nomen and protect their lands as part of the Kingdom of Thylicia.

The High Priestess of the Nomen shall be named Thane of the Nomen and have all rights and duties thereof. Understanding that the ways of the city are different than the ways of the tribe, and the great distance of the Nomen from Stagfell, She may appoint a representative in her place in the House of Lords.

The Noman agree to follow the Greater Law of Thylicia.
