Millenicar Dynasty 9 (New Size 228 TL12 Heavy Grav Vehicle)

Skill Used	Flyer (grav) or Autopilot/1			The Milenicar Dynasty 9 is a hallmark of luxury for transportation of the rich. While not the fastest type of transport around a planet, the Dynasty 9 provides smooth gravity drive transportation that makes the long hours pass easily. As a flying tour vehicle, it has everything for the VIP if local accommodations are lacking. It is often used by entertainers and those seeking to control their own security for just this reason.
